Gratitude

Thank you to the parents, teachers and staff who are once again teaming to make our auction and the future of our horizon students a success. It wouldn't happen without your dedication and commitment!

Are You Dreaming Tropical!

If yes, then how about Hawaii or Cabo Mexico. Looking for a family getaway close to home? Sunriver, or Brasada Ranch in Central Oregon a beach house on the Oregon coast or a quick flight to Palm Desert. Planning your getaway just got easier. This is only a taste of what's to come at this year's auction.

Last year the auction raised an amazing amount of money which was invested in our children by way of curriculum enrichment programs, building upgrades and areas that have touched each child.

This year is going to be no different. We are off to a great start procuring donations from both family, friends, neighbors and our community partners. Those that believe in investing in our future, i.e. Our Kids, are motivated and willing to give generously.

The critical component to obtaining exciting and valuable donations is to ask! Please help us make this year's auction event even more successful. We cannot achieve our goals without your support. Donate today!

Sponsorship monies allow the school to cover all fixed auction expenses prior to the actual event. Once we cover these, ALL proceeds earned the night of the auction directly impact our kids and school. Auction proceeds will go directly to providing field trip, scholarships, enrichment opportunities and building improvements.

We are so grateful and thank all the families and businesses for their vision of hope and support of our kids and the teachers that daily enrich all our lives.
