Club Sport “Parents Night Out”

This evening event will be on a Saturday night from 5:00 – 8:30, all proceeds from this event will go to the Teachers to aid in creation of the Class Art Projects for this year's School Auction! Don't miss out – this event was so successful last year! Teachers & children had a blast!

Box Tops for Education! Watch the Horizon Hawks Newsletter for upcoming competition! We're looking for a volunteer to head up this project! It's a fun and exciting way to get involved! The program is already designed, the chair would be responsible for getting the kids jazzed about the program.

End of Year Bridge Books Fundraiser

Bridge Books are wonderful workbooks that help bridge the gap during summer months and keeps our students' minds active and on grade level so there isn't so much catch up to do the first month of school. 10% of all Summer Bridge Book proceeds go back to our school. We hope you will consider this as the year comes to a close. We will have samples available in the office for you to check out.

MudPuddles Toys & Books will also be at our Science Night, coming up April 19th, and will bring fun educational games which will be available for purchase. Proceeds from these purchases will also benefit our school.

We are looking into local restaurants who may be interested in providing fund raising opportunities for our school. More to come on this in future communications.

Hospitality Committee Update:

We are planning a Barbeque Night in conjunction with the April 19th Science Night. We now have access to the kitchen in the gym. There are some guidelines which must be followed. If you are interested in using that facility, please see Traci Ziemer for training.

Judi Q & A

Q: How did Math Night go?

A: We had 50 new families come and check out Horizon!

Q: Who is following up with the families?

A: Judi will be contacting individuals to follow up with families one on one. We are looking at improving this process.

Items discussed:

Smart Board in Ms. Bachman's class. Could we use a fundraiser to buy more of these?

We will need to upgrade the middle school for 2010-2011 school year, to include a student store among other things for our middle school children.

Next Meeting:

Tuesday, March 9th 7PM.
